

Open Science Droplets

Purpose

- ▶ Make our research more flexible, efficient, collaborative and open
- ▶ Build a community to share know-how
- ▶ Discover and share tools and practices

Goals

- ▶ Promote Open and Reproducible Science
- ▶ Material: <https://github.com/spsrc/droplets>
- ▶ Open for everyone to participate!

Logistics

- ▶ Regular meetings twice a month
- ▶ You bring your coffee, we bring cookies
- ▶ Demonstration sessions to showcase tools
- ▶ Open for questions, discussions and networking

What to expect

- ▶ Show, don't tell
- ▶ Details will be provided in Reference Material
- ▶ Informal presentations
- ▶ Training plan will evolve depending on feedback
